Technology

Technology and Camp Survey results. January-February, pp. 50-51.

The Internet: Connecting your camp, by Jordan Coleman and Marla Coleman. November-December, pp. 26-30.

For only \$4.50 each, you can order back issues of Camping Magazine. Each magazine is full of valuable information for camp administrators and staff.

May/June 1996: Programming, articles on technical tree climbing; games; music; risk management; creating off-site trip programs; evaluating programs; safety for challenge courses and climbing walls; emergency action plans; and the J. Wendell Howe Golden Ouill and Golden Lens awards.

March/April 1996: Leadership, articles on CIT programs; diversity; teaching leadership; leadership styles; off-site trips; handling staff performance problems; culturally sensitive leaders; and the value of shooting sports.

Jan./Feb. 1996: Ancillary Services, articles on the camp caretaker; the camp store; food service; E. coli; bloodborne pathogens; nursing titles; budgeting with spreadsheets; and group purchasing.

Nov./Dec. 1995: no theme, articles on the developmental needs of young people; marketing camp; and the Internet.

Sept./Oct. 1995: Partnership, articles on corporate day camps; camps and the environment; funders and volunteers; and sailing programs.

July/Aug. 1995: Summer Staff, articles on using gates to enhance paddling programs; percussion programming; photography basics; safe adventure programs; staff's role in safety; boating safety beyond camp; sunburn and Lyme disease; and top 10 staff survival tips.

May/June 1995: Golden Quill and Golden Lens, articles on total quality management; staff orientation groups; ADD and drug holidays; pre-camp checklists; and group facilitating.

March/April 1995: Human Behavior, articles on homesickness at camp; pediatric aids; and encouraging positive interaction with campers with disabilities.

Jan./Feb. 1995: Staffing Issues, articles on waterfront certification changes; using a Likert scale to measure attitude; college fair tips for hosts, directors, and students; and new directions in staff training and development.

Additional back issues are available. Call 317/342-8456 ext. 327 or 334 for year-end indexes or a complete list of issues.
